Temperature Control

There are 4 heat settings, 38, 43, 48, and 53°C, indicated by coloured LED's. Select your heat setting by pressing the main switch button. This jacket is compatible with various power banks, refer to the chart below for heating capacity and how many hours of warmth this jacket will provide.

POWER BANK CAPACITY (mAh)	HOURS OF KEEPING WARM			
	SETTINGS			
	COMFORT 38°C	COZY 43°C	WARM 48°C	HOT 53°C
5,000	6	5	4	3
10,000	9	8	7	6
15,000	12	11	10	9
20,000	15	14	13	12
25,000	18	17	16	15

New 3RD Generation CNT Heating Elements

The heating elements are extremely thin (5 micron), and made from Carbon Nanotube Technology. CNT elements are soft to hand touch, flexible with no wire or metal feeling and is wash friendly. The heat sensor is strategically located to give an accurate measurement of the temperature, to prevent over or under heating.

Ranpro Ultra -50°C Composite Toe/Plate PU Boots

- Rated for -50°C
- Composite toe and non-metallic midsole provides full safety protection and increased thermal insulation in cold weather
- Omega/EH rated
- Winter tire inspired tread pattern features wider and deeper dispersion lines designed to pull water up and away from the contact point between the sole and ground for greater slip resistance
- Aggressive tread design to provide superior traction in snow and mud
- Reinforced ankle protection and extra ankle room to prevent rubbing
- Upper grip on boot allows you to easily pull on boots even when wet or muddy
- Ergonomically designed upper boot to allow for a better range of movement at the calf
- Lightweight and comfortable
- Innovative heel-tab for easy removal
- Cut-off line for customizable boot height
- Oil, gas, mineral, organic and chemical resistant

Our team is proud to be supplying Pioneer products to growing numbers of Canadians from Coast to Coast to Coast.

Since 1887, Pioneer has remained based in Vancouver, designing and developing products that thrive in the cold, rugged, mountainous and rainy environments of British Columbia, the Yukon and Alaska. SureWerx and Pioneer have since grown to become the largest supplier of safety gear and outerwear to Canadians in every Province and Territory from Coast to Coast to Coast.

History

Pioneer was established in Vancouver over 130 years ago, just after the Great Fire of 1886 burned the city to the ground. It is commonly accepted that Charles Jones, the founder of Pioneer, constructed the tent that became Vancouver's post-fire City Hall. Using canvas from sailing ships, he also built many of the tents which housed residents left homeless by the disaster. The business grew rapidly, producing clothing, tents and other gear to outfit the sourdough prospectors heading for the 1898 Klondike Gold Rush. Throughout the 20th century and to the present day, Pioneer continues to outfit foresters, oil patch crews, construction workers, miners, road and railroad builders, as well as outdoor enthusiasts of the Wild West and throughout Canada.
