

# SPRING SPECIAL!

## GRIT GX NOTCHING SYSTEM GX 75 BELT GRINDER & GXR NOTCHING MODULE

Constructed for use in small job, prototype, and fabrication shops, GRIT GX stands out due to its high efficiency. Whether for rough grinding or surface polishing, GRIT GX machines provide quality and results you can count on.

**\$5,699<sup>00</sup>**

The perfect solution for pipe and tube fabrication.

By attaching the GXR Module, the GX 75 Belt Grinder converts to the ideal platform for precise radius profiles on pipe and square tubing.

### **GX 75 2H 2V 220/3/60 TWO-SPEED BELT GRINDER**

3" (75mm) 1800 / 3600 RPM  
Voltage: 220V

**Includes:**

Grinding belt 3 x 79" (75x2000mm)  
grit 36 type Z

### **GXR PIPE NOTCHING MODULE**

**Includes:**

Contact roll 1-11/16" (42.4mm) dia.,  
Contact roll 1-7/8" (48.3mm) dia.,  
Grinding belt 3 x 88-9/16" (75x2250mm)  
grit 36 type Z,  
Plastic water container
